

Can your
school support us?

AG INST[®]
breast cancer

Wear a

Splash of Pink[®]

to join the fight
against breast cancer

Wear a **Splash of Pink** for a day

Donate **£1.00**

Raise vital funds for research
into secondary spread

We are very excited to be getting in touch!

Against Breast Cancer funds groundbreaking cancer research to improve detection, treatment and increase survival after breast cancer diagnosis. The focus of our research is preventing secondary spread, the main cause of breast cancer related deaths.

Have you got pink socks, a pink t-shirt or even a pink feather boa?

Why not hold a 'Wear a Splash of Pink Day' with the ask for all students and staff members to **donate £1** and wear something pink for the day.

£60 buys a sample of healthy donor blood, used to extract special immune cells for testing new therapies.

£150 - £350 buys antibodies, special molecules to label up vital parts of the cell.

£1,000 buys reagents for making an antibody.

Molly

If you would like to get involved or would like to know more, do get in touch with Molly our Community Fundraiser! We will send your school a digital welcome pack to help kick start your fundraising.
